

# **REASONS BASEBALL IS BETTER THAN OTHER** **SPORTS**

1. Baseball is a game that requires a different level of IQ regarding how the game is played.
2. The drip is better.
3. You have a deeper respect for the other players on opposing teams who are playing this awesome game.
4. It is by far the hardest sport to play. Reasons: hitting a ball, reading a ball, knowing the game.

Evidence:

Literally google it. The most difficult task in sports is hitting a baseball, and that is only a small part of the game.

Anyone can play, there are many different people who have all played baseball

You can't run out the clock

Why other sports aren't as good as baseball

According to bleacherreport “ In basketball, the team could choose to dribble the ball until the clock runs out. In football, players can take a knee. Baseball requires that you finish what you start.”
